Offering Field Trips, Ministry Opportunities, and Support for Homeschooling Families

MOM'S NIGHT OUT

Holiday Meal Planning
Nov 11, 2011 (Friday)

Mark your calendar for Mom's Night Out. The theme for our evening is Holiday Meal Planning and we will be sitting down to a Holiday Feast! Thanksgiving and Christmas are just around the corner so this will be an excellent opportunity for you to incorporate some new recipes into your holidays and share some of your family favorites with others. BHG will be funding a ham and turkey breast. Everyone, please bring a side or dessert along with the recipe to share. Feel free to bring more than one item! If anyone would like to host this in your home, please let Robin know. She will also be sharing some helpful tips for eating healthy.
Coordinator: Robin Mauck

OP CHRISTMAS CHILD

Nov 14-21, 2011: Collection Week
Dec 6, 2011: Warehouse Packing

It's time to start packing your shoe boxes! Instruction brochures are on the BHG Table or you may go to www.operationchristmaschild.org. BHG is going to absorb the packing cost for your shoe box and we will be taking your boxes with us when we go work in the warehouse on Tuesday, Dec. 6!! Volunteers to work in the warehouse must be 13 years old and up and we must have a chaperone for every 4 teens. The time is 10:00 - 2:00 (plan on packing a lunch), at the Atlanta Processing Center, 665 Raco Drive, Suite C, Lawrenceville, GA 30046. Please let Robin know if you and your teens plan to participate.
Coordinator: Robin Mauck

BHA SCIENCE FAIR

Event Date: January 16, 2012 (Monday)
Exhibition: K5-2nd Grades
Competition: 3rd-12th Grades

There is still time for you to sign up your children to participate in BHA's Second Annual Science Fair. Middle and High School homeschoolers who have already signed up are encouraged to finish writing their research plans and complete the ISEF forms. Please put them in a folder and give to Jan for the Scientific Review Committee to look over to make sure everything is filled out correctly. Elementary School kids do not need to fill out any ISEF forms or write any research plans. If you have any project questions, please don't hesitate to ask.

Questions about K5-5th: Lana Dwire
Questions about 6th-12th: Jan Thompson
