BHA Science Fair Meeting

October 15, 2012 (Monday)

12-1:30PM

BBC Fellowship Hall

This meeting is specifically for parents and Adult Sponsors. We will be going over required ISEF paperwork, research plans, and project guides primarily for Middle/High School participants, but also for Elementary School students whose projects require SRC/IRB pre-approval. Bring your ISEF forms, paperwork, folder from the August workshop, logbooks, and questions you may have. If your students are yet undecided on what projects they want to do, or if you missed the August workshop, come and catch up. Non-BHG members must preregister before they can attend the meeting or participate in any of our BHA Science Fair 2013 process. Bring your own lunches or preorder your pizza by emailing Jan. No childcare is provided.

Jan Thompson & Lana Dwire

Save the Date: Our 3rd Annual BHA Science Fair will be held on January 21, 2013. First place Gwinnett winners from 3rd-12th Grades (and best displays from K5-2nd Grades) will proceed to the Gwinnett County Science Fair on February 22, 2013.

2 SAMUEL 22:31

As for God, his way is perfect; the word of the LORD is tried: he is a buckler to all them that trust in him.
